

HOUSE OF WORSHIP ENERGY MISSION
ARE YOU SENDING MINISTRY DOLLARS UP IN SMOKE?

Energy costs are taking a significant portion of the budget of many of our churches. If we can cut energy costs, we can increase spending on ministry. ABCNYS is hosting seminars in our Region to assist our congregations in reducing energy bills.

What is this about? In this seminar, you will learn about:

- Building science fundamentals
- Health & safety issues
- Reducing heating & utility bills
- NYSERDA (New York State Energy Research & Development Authority) services and audits

Who should come?

Anyone interested in learning about and reducing energy costs. You certainly will want several church leaders or trustees to attend.

When & Where? Two Saturdays - 9:00 am to 12:00 pm

2/18/2017: Eastwood Baptist Church, 3212 James St., Syracuse

3/25/2017: Burnt Hills Baptist Church, 193 Kingsley Rd., Burnt Hills

What does it Cost? Free!
