American Baptist Churches of New York State  
Region Offering 2017

**Goal:**

First of all, thank you so much for supporting the Region through this offering. It is one of the biggest ways the Region funds many of the state-wide programs, seminars and conferences. But the big question with this poster is...

What do I do with this poster?

Print. If you need more posters, you can download & print more from [www.abc-nys.org/programs/region-offering](http://www.abc-nys.org/programs/region-offering)

Set a Goal that your church family will raise for the Region. Write that amount on the top line under “Goal”

What was last year’s goal? Have your church try a “stretch goal” and surpass last year’s amount!

Divide your goal by 6 and put those amounts on the other 5 lines. (Goal is \$600—then line 1 = \$100, line 2 = \$200, up to the top line of \$600)

Promote & take the offering throughout a 4-week period.

Color each book as you reach each increment. Celebrate when you reach your goal!
