

Through our Region Offering materials this year, we encourage you to keep sharing these inserts over the following weeks as we introduce to you the people whose lives are impacted by the work and support of the ABC/NYS Region and its programming.

Erik's journey into ministry through our Lay Study Program, or September's story of discoveries made about being in service to others through Region sponsored mission trips, and Amanda, whose faith journey was given a promising start thanks to participation in the annual American Baptist Youth Convention.

OUR STORIES, GOD'S GLORY

Our history as upstate New York American Baptists is full of great stories told best by learning about our local 294 churches and 16 Associations. While each story is blessed and unique, you will hear common threads in the stories of faithful leaders, times of challenge and change. And after these stories are told, we say a grateful "AMEN!" for in each story, God's Glory is made known.

Our ABC/NYS Region exists to help ensure the next chapters continue to be written and God's glory continues to be honored by the many endeavors of our local churches. The ABC/NYS Region Offering helps provide an encouraging word from Region staff who are regularly in the field, meeting with church leaders, helping connect candidates to churches seeking new pastors, identifying common areas of need and providing training to help strengthen and retool leaders for the changing times and questions before us all.

Your church's support of the ABC/NYS Region Offering directly helps the churches around you and all across upstate New York. With your donations going 100% to ABC/NYS for Regional ministry, the Region Offering donations fund lay pastor training, youth ministry gatherings, opportunities for churches to explore challenges with Region staff about every-day questions and a reliable source of encouragement during a church's extraordinary times of challenge.
